Full of varietal charm and character with a lot of life ahead"***. The Núria Claverol Homenatge 2016 cava, 100% Xarel·lo, produced by Bodegues Sumarroca, has managed to excel in this rigorous evaluation, reaffirming its quality and excellence in cava production. Núria Claverol Homenatge 2016

In the sunny vineyards of Monistrol d'Anoia, where the eastern breeze caresses the old Xarel·lo vines, a cava with history is made; a tribute. Núria Claverol Homenatge 2016 is presented as a tribute full of love and dedication, a unique creation in honor of the wife of the winery's founder, Carles Sumarroca, and an offering from their three children to their mother.

With over 80 months of aging, it allows for perfect evolution and maturation that evokes the essence of the land from which it comes. The concept of terroir is fundamental in this cava, reflecting the unique characteristics of the Peretes vineyard, with its sandy and gravelly soil, its altitude of 180 meters, and its eastern exposure, contributing to the singularity and quality of the grape.

The harvest of 2016, with a cool summer and a dry winter, produced small but high-quality fruits, resulting in a vintage of 14,541 bottles. Controlled fermentation in stainless steel tanks at 16°C for 17 days ensures the purity and balance of the wine, with 12% alcohol, 2 g/l of residual sugar, and well-defined acidity.
